COMPANY POLICY

QUALITY, ENVIRONMENT, HEALTH, SAFETY AND PROTECTION OF FUNDAMENTAL LABOUR RIGHTS

F.lli Rossetto operates in the polyurethane processing sector, developing solutions for various industrial applications. Over time, the company has consolidated expertise, technologies and processes focused on innovation, sustainability and continuous improvement.

Top Management defines and updates corporate strategies and objectives, promoting sustainable development, process efficiency, customer satisfaction and environmental protection.

This Policy provides the framework for the company management system and for objectives relating to the environment, process quality and social responsibility.

COMPANY COMMITMENTS

- compliance with statutory, regulatory and other applicable requirements;
- satisfaction of customers and interested parties;
- continuous improvement of performance;
- control and effectiveness of processes;
- a culture of responsibility, quality and sustainability.

ENVIRONMENT (ISO 14001)

- pollution prevention and environmental protection;
- reduction of environmental impacts and efficient use of resources;
- proper waste management;
- life cycle assessment.

QUALITY AND PROCESSES

- product conformity with requirements;
- continuous improvement of processes and efficiency;
- customer satisfaction;
- production control.

RAW MATERIAL SUSTAINABILITY

- traceability and control of supplies;
- use of responsibly sourced materials;
- compliance with FSC and ISCC PLUS schemes.

PEOPLE AND SAFETY

- respect for fundamental labour rights;
- prohibition of discrimination, forced labour and child labour;
- training and engagement;
- employee consultation;
- occupational health and safety;
- prevention of accidents and occupational diseases.

MANAGEMENT COMMITMENT

Top Management undertakes to communicate, implement and review this Policy at all levels of the organisation.
